1956 Ford Car & Wagon Color Notes (U.S.)

Style-Tone Two-Tone Colors

- Fairlane, Parklane, & 8-Passenger Country Sedan
- Some colors inverted, typically Sunliner
- Some plants indicated Style-Tone Two-Tone Color with a *third* color code character (after the double-letter color code) on data plates—an **S** (not to be confused with an S for Special Color, below), a **c/o**, or a **number**.

Special Color

S for "special color" typically indicates a specially-ordered, non-standard (for the model), in-plant color. Color names & applied areas on build sheet

Country Squire

- Single-Tone Color (only)
- Self-adhesive 3M™ DI-NOC™ decalcomania of **panel** or **ship-plank mahogany-wood-grain** finish vinyl on (steel) bodyside & tailgate panels framed by **maple-wood-grain** finish vinyl on one-piece glass-fiber moldings & on window-band area

Fairlane Sunliner

- Convertible Tops: **Blue**, **Tan**, or **Black** rayon fabric; or *White* fabric-grain vinyl
- Boots: **Med Blue** or **Med Green** gabardine-grain vinyl; or **Red**, **Black**, or **Orange** skiver-grain vinyl
